RE: Physician's and Surgeon's Certificate No. C 52023
Case No. 800-2016-027107

Public Letter of Reprimand

The Board's investigation revealed you failed to respond to the presence of alcohol in the urine drug screen of a patient receiving multiple sedating drugs, failed to document two office visits at which the patient was prescribed controlled substances, failed to document the reasons for changing medications, failed to adequately protect health information by not maintaining the patient's records, and failed to perform risk stratification of the patient. These actions are in violation of B&P Code sections 2234(c), repeated negligent acts, and 2266, failure to maintain adequate and accurate medical records.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California, and you are required to do the following: complete a Prescribing Practices Course, a Medical Record Keeping Course, and a Professionalism Program (Ethics Course).

Sincerely,

Kimberly Kirchmeyer
Executive Director
